

Calm software. Structured systems. Built to last.

OndaSupply LLC is an Arizona-based software development company that engineers custom applications, secure cloud infrastructure, and robust technical platforms. We bring clarity, structured execution, and rigorous documentation to complex digital engineering projects for commercial and public-sector organizations.

CORE COMPETENCIES

Custom Software Development

Full-stack web, mobile, and backend platform engineering tailored for performance and scale.

Infrastructure & Cloud

Secure cloud architecture, deployment, and ongoing optimization for resilient and scalable systems.

Systems Integration

Seamless connectivity between legacy architectures, modern microservices, and third-party data platforms

Operational Support

Documentation, maintenance, technical support, and deployment coordination for mission-critical systems.

DIFFERENTIATORS

Calm, Direct Execution

Clear communication and rapid iteration without unnecessary layers or consulting overhead.

Documentation First Engineering

Structured systems with transparent technical documentation and maintainable architecture.

Built for Longevity

Clean implementation focused on sustainability, scalability, and operational reliability without technical debt

Unified Client Workspace

Live previews, project visibility, file sharing, milestone tracking, billing, and centralized communication

PAST PERFORMANCE

WidgetStack

Android widget platform focused on real-time interaction systems and scalable UI architecture.

OndaSupply Workspace

Client operations platform with messaging, milestone tracking, billing, file management, and deployment coordination.

Infrastructure & Support

Deployment, cloud hosting, structured environments, and operational maintenance for small teams and businesses

COMPANY DATA

Legal Business Name:	ONDASUPPLY LLC
Entity type:	Business or Organization
Entity Structure:	Limited Liability Company (For Profit)
State of Incorporation:	Arizona, United States
Physical Address:	Tucson, AZ 85706-4529
Website:	ondasupply.com
Registration Status:	Active Registration
Activation Date:	April 29, 2026
Expiration Date:	April 17, 2027
Purpose of Registration:	All Awards

NAICS CODES

- 541511** Custom Computer Programming Services
- 541512** Computer Systems Design Services
- 513210** Software Publishers
